圣甲虫

By: Yisselakh

独白：

圣甲虫攀爬着现实的墙
把太阳推向把太阳推向
天空中梦乡

重复主歌：

圣甲虫滚动着太阳
像灵魂滚动着土壤
他们说指引的是星芒
我说是心脏
我说是心脏
我说是心脏

桥段：

这是艺术，还是诗句
还是难以置信的真理
我永远无法肯定
你永远无法肯定
我们永远无法肯定

副歌前：

智者说的话
愚人用沉默回答
你说是就是吧
你说是就是吧

他们是这样想的啊
他们是这样想的啊

[副歌+副歌后重复三遍]

副歌:

可是当她那金色的心脏
将暖光照在你壳上
在无数个命运的正午
将你的灵魂你的尘土
像月亮借用阳光
染上希望

副歌后:

你终究会信服
你终究会信服
你终究会信服
你终究会信仰
你终究会信仰

重复主歌:

圣甲虫滚动着太阳
像灵魂滚动着土壤
他们说指引的是星芒
我说是心脏
我说是心脏
我说是心脏

Scarab

By: Yisselakh

Intro:

The beetle climbs the wall of reality
Rolling the sun into place, into the sky of dreams

Verse:

So the beetle rolls around the Sun
Like in dust, our soul rolls around
And they say we're guided by the stars
Or is it our hearts
Or is it our hearts
Is it our hearts

Bridge:

Is this just poetry, is this just art
Is it really the truth of what we are
I'll never truly know
You'll never truly know
We'll never truly know

Pre-Chorus:

What the wise men say
The fools will never follow
If you say so if you say so
That's how they always go
That's how they always go

Chorus:

But when her heart of gold
Shines warmly on your mold
On countless fateful noons
Your heart and your soul
Your shell like sun upon the moon

Post-Chorus:

You'll know
You'll know
You'll know
And you'll believe
And you'll believe

CODA Verse:

So the beetle rolls around the Sun
Like in dust, our soul rolls around
Like they say we're guided by the stars
And all of our hearts
And all of our hearts
All of our hearts

灵感来源：

我现在写词可以说超出了爱好而成为了一种习惯，没有新作品总觉得不舒服。而这些年那种抑制不住的天然灵感越来越少了，不是说写不出东西了，只是说需要布置任务，布置作业给自己。

也说明需要多阅读学习了。而我一直喜欢用直接写歌词的方式来“记笔记”：阅读的过程中，无论是什么题材，我都会经常突然受到启发，得到灵感，非记下来不可。

而这一系列不一样，这次我没有等着灵感来找我，而是预先给自己设定了题材。

象征主义：

前一久买了一本David Fontana的关于符号和象征主义的书籍，突然想练习写象征主义味道浓的歌词。 当时给自己提前计划好要写77首，那是去年九月，如今终于写出第一首。

77首计划中是分成了五个14首的主题专辑，加一个7首的EP，而第一个专辑打算写《昆虫记》：

而当发现第一个昆虫是神圣粪金龟，我一时觉得有些难写，不过这么多音乐风格，我觉得总会有一个适合诠释的，只是不知道哪一个。

一个方案是完全投入它的古埃及象征意义，然后写成某种new-age感特别强的诗歌，但这一系列我还是想象的是比较朴素的歌曲，偏向经典乡村，民谣和独立民谣，所以一直没有动笔，直到我刷视频的时候突然有一个背景音乐让我想起了The Handsome Family的Far From Any Road。

我就打开来，播放着，随着感觉准备写，结果突然看到另一首，同一个组合的Gold。

当然主要是参考旋律和配乐风格，而不是词。

蝉

词: Yisselakh

Intro:

这就是问题所在
你都分不清到底这是
马蜂的还是蝉的小孩
当它是如此明白
如此明白
如此明白
如此明白

重复副歌:

谁才是那歌者，夏虫呐
谁才是那歌者，夏虫呐
永远只顾着
爱它所爱，唯它所爱
爱它所爱，唯它所爱

主歌1:

你以为毫无疑问
橄榄林里的陌生人
雪里叩问蚂蚁的门
却被拒之在外的
永不可能
永不可能
永不可能

桥段:

是我们
是我们
是我们

副歌前1:

可如果我们都是那蚂蚁
那到底
可如果我们都是那蚂蚁
那到底

重复副歌:

谁才是那歌者，夏虫呐
谁才是那歌者，夏虫呐
永远只顾着
爱它所爱，唯它所爱
爱它所爱，唯它所爱

主歌2:

你望向涟漪中央
再迷蒙也掩不住惆怅
水波中怎么都看不像
蚂蚁而是蝉模样
已来不及
已来不及
已来不及

桥段:

改变信仰
改变信仰
改变信仰

副歌前2:

这算不算沉没成本谬误
太久走着错误的道路
真理会变得更像歧途
宁愿装糊涂
宁愿装糊涂

重复副歌:

谁才是那歌者，夏虫呐
谁才是那歌者，夏虫呐
永远只顾着
爱它所爱，唯它所爱
爱它所爱，唯它所爱

谁才是那歌者，夏虫呐
谁才是那歌者，夏虫呐
永远只顾着

爱它所爱，唯它所爱
爱它所爱，唯它所爱

The Cicada

By: Yisselakh

Intro:

Therein lies the rub
You're mistaking the grubs
You can't even tell between the cicada and the wasp
When it's so obvious
So obvious

Chorus:

Who's the singer, the summer bug
Who's the singer, the summer bug
Content with its own love
Even if its something perhaps
Only he'll love

Verse 1:

And you still think you know
The stranger of the olive grove
The slacker shut out of the ant's abode
And we always think we are the ants
In these stories told
At least that's what's sold
At least that's what's sold
To us

Chorus:

Who's the singer, the summer bug
Who's the singer, the summer bug
Content with its own love
Even if its something perhaps
Only he'll love

Verse 2:

You looked in the pond
And felt rather cross
This ant looks too much like a cicada

You feel it's too late to accept who you are
When you spend most your life lost
Doesn't the right way feel like the wrong path
Is this the fallacy of sunk cost

Bridge:

Unable to accept
Unable to accept

CODA Chorus:

Who's the singer, the summer bug
Who's the singer, the summer bug
Content with its own love
Even if its something perhaps
Only he'll love

Who's the singer, the summer bug
Who's the singer, the summer bug
Content with its own love
Even if its something perhaps
Only he'll love

螳螂

By: Yisselakh

主歌:

你望向树篱掩住的彼方
突然看见正中央的螳螂
疲惫的太阳透过他的剪影
懒懒地抛过来最后一束光
多么像翠绿的汪洋游荡
游荡
游荡
在咆哮着深红色的暴风雨下方
在咆哮着深红色的暴风雨下方
在咆哮着深红色的暴风雨下方

副歌前:

渺小的生命啊
难道你能守望住彼方
双臂合上，目光
目光
目光
直追着思想
这一扇小小的窗
掩藏着一球谎言还是真相？

副歌:

虔诚的人性呐,
耐心地等在这片属于
时间生命和这首比喻
树篱前的土壤
螳螂, 你在那更高的地方
有何可以预知的真相？
若是换做蝉来跟我们讲
或许能满足我们的一切渴望
或许能满足我们的一切渴望
或许能满足我们的一切渴望
一切渴望
可你只乐意独自在沉默中安详
沉默中安详
沉默中安详

我们只有无知地留在梦乡
留在梦乡
留在梦乡
留在梦乡

［重复一遍副歌前和副歌］

CODA:

到底有没有坚不可摧的希望
孩子、灵魂、所有信徒和绝望者
我们到底会不会觉醒在一个如梦的彼方？
会不会觉醒在一个如梦的彼方？
答案应该在心脏的最中央
心脏的最中央
心脏的最中央

Mantis

By: Yisselakh

Verse:

So you look above the hedge
And see the mantis on the edge
The waning sun shines through its silhouette
A sea of green perched beneath
The roaring storm of overcast red
The roaring storm of overcast red
The roaring storm of overcast red

Pre-Chorus:

And the little life
Oh so it oversees the other side?
Arms curved, and the eyes?
The eyes?
The eyes?
Piercing into the mind
Does the little dot lead
A sphere of truth or lies

Chorus:

For humanity patiently on this side
Of time, of life, of a metaphorical rhyme
What do you see from above us
What can you prophesy?
If he were the cicada perhaps
We'd know everything
Everything
Everything
But it stays so silent
Oh so silent
Oh so silent
So we can do nothing
Except keep dreaming
Keep dreaming
Keep dreaming

Repeat:

Pre-Chorus:

Ask the little life
Does it oversees the other side?
Arms curved, and the eyes?
The eyes?
The eyes?
Piercing into the mind
Does the little dot lead
A sphere of truth or lies

Chorus:

For humanity patiently on this side
Of time, of life, of a metaphorical rhyme
What do you see from above us
What can you prophesy?
If he were the cicada perhaps
We'd know everything
Everything
Everything
But it stays so silent
Oh so silent
Oh so silent
So we can do nothing
Except keep dreaming
Keep dreaming
Keep dreaming

CODA:

Is there an unshakable truth waiting of a sweet
Awakening
That, my child, my soul, the faithful and hopeless
We have to answer from within
Do you believe?
Do you believe?
Do you believe?

流萤

By: Yisselakh

Verse 1:

还有什么话可讲
这是甲虫的名字
是甲虫的新衣裳
是一粒尘埃唯一的希望
能在这个短暂的世界上
伸手就捕捉到星芒

Bridge:

我知道路的尽头就在前方
夜空中散落着零碎的光
这是顽童梦里
触手可及的真相
这是顽童梦里
触手可及的真相

Chorus:

请点亮
请点亮
请点亮
你指引的光

请点亮
请点亮
请点亮
你指引的光

Verse 2:

我一定是从黎明的开场
就等待在了这一个地方
而你一直躲藏在了草叶中央
待黄昏疲惫的眼神摇晃
扑闪在霎那与无常之上
你才备好翅膀

Chorus:

再点亮
再点亮
再点亮
你指引的光

再点亮
再点亮
再点亮
你指引的光

Bridge:

飞离这迷宫似的土壤
飞离这迷宫似的土壤
回到纯真，古老的梦乡
而这一回
I'll stay
You'll stay
We'll stay
And see

CODA:

我们将 旷野的悲伤
头也不回 抛在后方
看阳光 看阳光 盖过它们 与星光
看阳光 看阳光 盖过它们 与星光

Oh love of mine
Love of mine
Love of mine
Isn't this just divine
You and I
And all we love
For all of life
All of life

Glowworm

By: Yisselakh

Verse 1:

Oh what more is there to say
About the beetle with new clothes
About the beetle with a new name
This as close as a speck of dust
Can get to catch a star

Bridge:

I know it won't be far
I can see the sparks
And you know
I'll never stray from the path
And you know
I'll never stray from the path

Chorus:

So
Light the way
Light the way
Light the way

So
Light the way
Light the way
Light the way

Verse 2:

I must have been waiting
Since the dawn of days
As you hid within the tall grass blades
When the weary eyes of dusk sway
Blink between time and that eternal place
I'll see you ascend above this maze

Chorus:

And
Light the way
Light the way
Light the way

And
Light the way
Light the way
Light the way

Bridge 2:

Back to innocence, back to the ancient dream
And this time,
I'll stay
You'll stay
We'll stay
And see

CODA:

The wasteland of sorrow
We left behind
Ebbs away, fades away
In the light, with the night
In the light, with the night
Oh love of mine
Love of mine
Love of mine
Isn't this just divine
You and I
And all we love
For all of life

泥壶蜂

By: Yisselakh

Verse 1:

你飞过的那一瞬间
有没有许一个愿
为了谁还有哪一天
算了，不管了，顾好眼前
风中的无花果叶 轻轻抚过你的脸
她说要勇往直前，她说要勇往直前
浓雾后面就是你向往的家园

Refrain:

在那之前
无花果树永远
守望在许愿井边
无花果树永远
守望在许愿井边
无花果树永远
守望在许愿井边

Verse 2:

你飞过榕小蜂身边
它们有没有抱怨
哪来的陌客与泥岩
飞来，又飞去，云幕后面
远向无花果天边，像传说或者预言
它们问哪是终点，它们问哪是终点
浓雾后面就是我向往的家园

Refrain:

在那之前
无花果树永远
守望在许愿井边
无花果树永远
守望在许愿井边
无花果树永远
守望在许愿井边

CODA:

唯愿我们永远在暖光之间
唯愿我们永远在暖光之间
唯愿我们永远在暖光之间
微笑无言，无怨
微笑无言，无怨

Mason Wasp

Verse 1:

When you flew past it just now
Did you make a wish in the wishing well
For what, when, where, whom and how?
Oh well, focus now
In the wind the fig leaves sway and swell
It caresses your face, as you race
Towards the veil

Refrain:

Beyond the fig tree
And the wishing well
Beyond the fig tree
And the wishing well
Beyond the fig tree
And the wishing well

Verse 2:

Were you seen by the fig wasps
As the stranger carrying strange mud
Building your home beyond the mist
Did they think it was a myth
They wondered aloud
This Agaonidae crowd
What are you building beyond the cloud

Refrain:

Beyond the fig tree
And the wishing well
Beyond the fig tree
And the wishing well
Beyond the fig tree
And the wishing well

CODA:

Among endless warmth I dwell
Among endless warmth I dwell

Among endless warmth I dwell

Psyche

By: Yisselakh

Intro：

So here I am, dragging this bag
Upon my soul, and through time
I haven't gained wings for flight
So I climb, so I climb
Carrying my twigs and twines
My twigs and twines

Pre-Chorus：

See the blue blue sky
The pink petals sweep across the light
Stripe upon stripe
Land beneath my stride

Chorus：

And why, as I climb and climb
As I climb and climb
I see the absurdity of life
The absurdity of life
The absurdity of life

Verse 2:

He has such childlike eyes
With callouses of the wise
Yet, he can never divine
The truth hidden behind
The truth hidden behind
The curtain of life

Pre-Chorus:

Time after time
All he sees is just a sliver of white
Quickly flashes by
And fade beyond life

Bridge:

Oh my lost one, let me rest for a while
let me rest for a while
let me rest for a while
There's still a little time
There's still a little time
Till I get my wings for flight

Chorus：

And then, as I fly and fly
As I fly and fly
I’ll take you to reach that light
To reach that light
To reach that unending light
Together
Forever for all of time
Forever for all of life

《蝗虫》

By: Yisselakh

主歌:

醒来的梦如往昔
包裹在记忆里
遥不可及
梦中的你多清晰
依偎着现实而
触手可及
招一招手唤一个梦
送给我吧
或在我灵魂的深处
画一幅画

桥段:

染上童年的色彩
唤醒那片迷蒙的海
再将它们缝起来
每片过去现在未来
连上天和海
任我划过来

副歌:

绿色的蝗 红色的蝗 黄色的蝗
在梦浪里 永闪耀着 纯粹的光
看那光中央
孩提的手掌 星云捕星光
我在蝗虫的翅膀间躲藏
他一不小心将我也带上
我们 一起乘着倦意飞向

副歌重复部分:

不分现实和梦境
永远有你们的地方
不分现实和梦境
永远有你们的地方
不分现实和梦境
永远有你们的地方

《Grasshopper》

By: Yisselakh

Verse：

Is this,
A forsaken past?
Or a forsaken dream?
Marooned beyond the seam
Of memory:
Of memory:
Of memory:
Unreachable,
Unreachable.
Yet, in the same dream,
It shone with breathtaking clarity,
Blending in with the fleeting reality;
Perfectly close,
Perfectly close.
Where did it go?
Where did it go?

Bridge:

I know
Wave your hand, call me a dream
Or paint me a whim,
In my soul

Pre-Chorus：

And
Color it with gold
With childhood retold
Shake awake the sea as it unfolds
Every wave of time
In this endless moment, binds
The ocean and the sky
As we row towards the light
Forever you and I

Long Chorus：

The light
Green grasshopper
Red grasshopper
Yellow grasshopper
Shine
A shadow from the sky
The child’s hand alight
Like a nebula catching starlights
So I hide
Between the wings
I hide
Still it brought me
[Refrain:]
Into the fabled nightless light
Where you and I
Will forever reside
Into the fabled nightless light
Where you and I
Will forever reside
Into the fabled nightless light
Where you and I
Will forever reside
